AA-NSBE FreshStart Fall 2009

The Austin Alumni Chapter for the National Society of Black Engineers (AA-NSBE) will host FreshStart Fall 2009 program on Saturday, November 14, 2009. FreshStart is our Pre-College Initiative program for youth in grades 6th – 12th. The day consists of a series of workshops and demonstrations that foster interest in math, science, engineering and computer literacy among the students as well as providing role models for motivation. The program also contains a morning session for parents that offers tips that parents can use to help their children succeed academically.

Event: FreshStart Fall 2009

Date: Saturday, November 14, 2009

Time: 8:30 a.m. – 4:30 p.m.

Location:

Applied Materials, 9700 E Highway 290, Austin, TX
(hwy 290 east towards Houston; east of IH 35, east of hwy 183)

Who: 6th - 12th graders

Cost: FREE; Breakfast and lunch will be provided.

There will also be surprises (prizes) for the student participants throughout the day. We look forward to this time spent with our future technical professionals.
